## ABOUT THE AUTHOR

A Hoosier born and raised, Monette still lives in the heartland near Indianapolis, Indiana. Married to her college sweetheart and soul mate, she has one son.

After many years of practicing law, Monette found that all the clients, opposing counsel, and the problems she handled ignited the need to write fiction. So she started writing—first, romantic suspense/thrillers, then adding a touch of paranormal and scifi and, eventually, a sexier side (as Rae Morgan).

Monette (and Rae) loves to hear from her fans. E-mail her at [monettemichaels@gmail.com](mailto:monettemichaels@gmail.com).

## ABOUT THE ARTIST

April Martinez is an artist/illustrator and graphic designer living in southern California. Among many other things like web sites, ads, and logos, she designs book covers. She also creates cartoon illustrations.

If you enjoyed coloring these covers, check out her coloring book, *Patterns: A Coloring Book*.
